**Newsletter No.16**

Dear Parents,

As we draw closer to the end of another term, I am reminded that life in a school is full of constant change.

At the end of this term, we will be saying farewell to Mrs Joanne Furness, who will be taking up another classroom position closer to her home. We wish to take this opportunity to thank Mrs Furness for her contributions to Holy Name, and her years of service to all the students she has had in the past.

Currently, Mr Ling, Miss Lontos and myself are interviewing candidates for this position. We will hopefully be appointing someone by Friday.

If you are a 4F parent, please ensure that you book an interview with Mrs Furness as she will not be here next term. For booking information, please refer to the Caremonkey note that was sent out last Tuesday.

## **Building Works**

This week, we also had notification that the tender process is well underway and if everything goes according to schedule, refurbishment works will begin by September 1st. This gives us a few weeks to move all our resources around, which will mean some things will operate differently in the future.

## **Sick Children**

For at least until the end of this term, we must request that if your child is unwell with cough, sore throat, temperature, cold or flu like symptoms, you keep them home.

**Before they can return to school**, they must have a Doctor's clearance letter stating that they are 'fit and well'. Please email this to the school office – [office@hnpe.catholic.edu.au](mailto:office@hnpe.catholic.edu.au)

When reporting your child absent from school, we ask that you please let us know what the illness symptoms are. Often, parents will write 'unwell', which is usually sufficient, but at this time, we do need to know this extra information.

We ask for everyone's co-operation in this matter.

## **Canteen**

We are edging closer to the opening of our Canteen – hopefully in the second week of Term 3. This is very exciting for us, as we have not had a Canteen service at Holy Name for over 20+ years! At this stage, the Canteen will open for two days only, and if there is sufficient need, this may be extended. The ordering system will be easy for parents. You will be able to order and pay online (one-off or regular order), or hand in your order before school. Further details will be provided closer to the date.

**Repeated from last week**

Dear Parents, Guardians and Carers

## **Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2020)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

## **DEPUTY PRINCIPAL NEWS - MR DERRYN LING**

### **School Report Information**

Tomorrow, parents will be sent an email to give all parents access to the Parent Portal to access their child's reports. In the email, a username and password will be supplied to all parents. Please use this information to login for the first time. This will give you time to contact the school if your account is not working or you did not receive an email.

On Tuesday 23rd June, the reports will be published and accessible only from this Parent Portal.

It is very important that you have updated your email addresses with the school, as an automated email containing instructions and login details will come from [no-reply@nforma.com.au](mailto:no-reply@nforma.com.au) and not the school. Please ensure that you check your junk/spam folder for an email from that address.

## OUR PROGRAM OPERATES IN THE SCHOOL'S ILC

### What we've been up to this last week.....

This week has been super busy and active. We are getting lots of children attending, as everyone is back at school. Our theme for the week is focusing on Philippines, colouring the country's flag and looking at the island on the Atlas.

Yesterday, some of the girls did some paintings. Suri, Ally, Hayden, Ava and Maira painted some rocks and pictures of balloons.

This afternoon, we will be making stress balls and cooking honey joys.

Our other favourite games are 'Musical Chairs' and 'Twisters' and 'Hide and Seek'.
