Newsletter No.17

Dear Parents,

We have finally made it to the end of Term 2, and what a term it has been for everyone. By now, I hope that everyone has been able to access their reports, and early Term 3 we have scheduled Parent/ Teacher conversations (more information will be sent out in Term 3). I am currently awaiting advice to see whether these can be conducted in person or online. I have a feeling however, that it will be online.

Welcome to Holy Name

This week, we welcomed Ms Shanelle Feillafe to our staff. Shanelle will be taking over from Mrs Furness. We warmly welcome her to our staff, and know that you will also make her feel a part of the Holy Name family when you get the opportunity.

Flexibuzz App

This is our last newsletter via the Flexibuzz app. The Flexibuzz app is about to cease operations at the end of the month. As we only use it for absenteeism and the newsletter, we have decided that rather than pursue a new app, we will use what we currently have. The newsletter will be pushed out via the Caremonkey app in Term 3.

If your child is absent, you will need to notify the office via email (office@hnpe.catholic.edu.au) or phone. I wish to thank all the families who have been notifying us of their child's absence. It can be very time consuming for Leanne having to chase up families.

Just a reminder that if we do not hear from you, and we cannot get in touch with you, our next port of call is to ring the police.

Sick Children

We must request that if your child is unwell with cough, sore throat, temperature, cold or flu like symptoms, you keep them home.

Before they can return to school, they must have a Doctor's clearance letter stating that they are 'fit and well'. Please email this to the school office – office@hnpe.catholic.edu.au

When reporting your child absent from school, we ask that you please let us know what the illness symptoms are. Often, parents will write 'unwell', which is usually sufficient, but at this time, we do need to know this extra information.

We ask for everyone's co-operation in this matter.

Wishing all families a relaxing and safe holiday break.

We'll see all students back on Monday 13th July.

Caroline Galea
Principal

Dear Parents, Guardians and Carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2020)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

DENTAL VAN VISIT

In the second week of Term 3, the Dental Van visit commences at Holy Name. The van *may* be here all week, depending on the number of children to be seen and treated.

LOST PROPERTY BASKET

Is located in the multi-purpose area at the foot of the stairs to the ILC. If your child has lost an item of clothing, please make sure they look in the basket.

Also, if another family gives you uniform items, please **rename them. Parents often tell us that the basket has lots of windcheaters / jumpers with names on them, however when we check, the items are from students who left school a number of years ago!

ACADEMY UNIFORM

A reminder for when Term 3 begins..... if you order online (our password is – reservoir), or by phone with your credit card, Academy will deliver the item to the school, (usually ONLY once a week), at no cost.

OUR PROGRAM OPERATES IN THE SCHOOL'S ILC

What we've been up to this last week.....

This week we are focusing on Greece. Luckily Ava (Prep M), has a Greek background so she's able to teach us some basic words. We also coloured in the Greek flag and the Olympics. Did you know that the ancient Greeks started the first Olympics? In the olden days, women were not allowed to participate in the Olympics!

Yesterday, Ally, Hayden, Petra and Ava made a carrot cake. We can't believe how fast the term has gone. Things have been unpredictable this year, but it's great to see children getting used to the school routine.

We hope everyone has a safe break and look forward to an exciting Term 3.

Reminder

To enrol your child/ren in our program, or to view fees, go to www.campastralia.com.au and search for our school OR ring 1300 105 343.

If you need to contact me, the **OSHC mobile number is 0418 576 410.**

I am happy to assist you with information about our before and after school program.
