

General Information

Welcome to Term 3! Despite starting the term online, we will still be covering all curriculum content we need to. We will be available to clarify or chat using the emails below:-

Teacher emails:

klowry@hnpe.catholic.edu.au

sloan@hnpe.catholic.edu.au

Religion

Daily Prayer: This continues to be a very important focus and students will be responsible for leading this ritual in the morning once we are back on site

Our big theme for the Term 3 unit will be **“How do we keep the cogs of our world turning?”**

Students will investigate the different aspects of their catholic identity and what it means to be a part of God's community by learning about the Catholic Social Teachings. They will build an awareness of themselves and their place in their community, and the global community. Students will come to realise that they are one part of many and that you need more than one cog to make the machine of the world turn.

Inquiry

Students will explore and challenge the statement “What makes the world tick?” through the four streams of Science.

Italian - *Anna Bregu*

Unit of Work: Food – Il Cibo

We are learning:-

- To extend and deepen our understanding and appreciation of the Italian written and spoken language through greetings, songs and activities.
- To widen our vocabulary of concepts, including colours, size and simple descriptive adjectives, in relation to the topic of Food.
- The names of various foods, and related topics such as mealtimes and customs, using the Italian language.
- To research and discuss specialty Italian foods, their region of origin, and their cultural history and importance.
- To identify and use gender agreement for nouns, definite articles and adjectives.
- To read and write some simple sentences from teacher modelled structures.

Sport - *Derryn Ling*

TOPIC: SKIPPING

We are learning:-

- To participate in individual basic short rope skills
- To create skipping routines
- To use skipping skills in a fitness/challenge circuit
- To combine our physical and mental skills in short one minute challenges
- To develop a growth mindset and use dispositions to improve our skills
